O'Keeffe
 COLOR AND CONSERVATION
 OCT 1 - DEC 31, 2006

Interesting how art can raise your spirit.

Art can elevate. Inspire. Reinvigorate you from the inside out. Especially the art of American master Georgia O'Keeffe. This first-ever Rochester exhibition of her work is an extraordinary and rarely seen collection of landscapes, flowers, still-lives and abstractions. Don't miss this opportunity to see it at the MAG—the final stop and only northeast venue for this important exhibition.

Tickets are available at the Memorial Art Gallery Admission Desk and through Ticketmaster.com, all Ticketmaster outlets including Macy's stores, and by calling Ticketmaster at 585.232.1900.
